

Burrell School District

Instructions for Medication Administration on Field Trips:

Students who need to take prescription or over the counter medications on field trips must complete the form below in addition to school district medication guidelines forms. All medication must be in its original container with a legible label and the student's name clearly marked, accompanied with proper completed forms. PLEASE BE SURE THE CORRECT MEDICATION IS IN THE CORRECT BOTTLE! Medication will be secured by an adult on the trip. Your student will self-administer his/her medication at the scheduled time in the presence of an adult. Send only enough medication for the field trip. Do not send extra medication. Questions can be directed to the nurse's office at ext. 2254 (high school) or ext. 3150 (middle school).

BURRELL SCHOOL DISTRICT FIELD TRIP MEDICATION FORM

Student Name _____ Age _____ Grade _____ HR _____
